The Great Hall

The historic Great Hall is at the heart of our original and most impressive building, which dates back to 1852.

It is set high on a hill with panoramic views over St Helier and the College lawn.

You enter through double-height timber doors at the front of the magnificent façade, up a curving granite staircase to the first floor.

This grand room has high vaulted ceilings and beautiful hammer beam roof combined with elegant period windows and original wood panelling. This large space is intimate and welcoming.

The Great Hall is the centrepiece of school life and the venue for many major school events but it is also used for prestigious dinners, award ceremonies and, of course, wedding breakfasts and evening receptions.

The Great Hall has a large raised stage and is able to accommodate up to 380 guests for award ceremonies and approximately 130 guests for dinner events, with room for a dance floor.

De Quetteville Library

The De Quetteville Library is an extremely handsome room next to the Great Hall that is ideal for more intimate wedding ceremonies, canape receptions, pre-dinner drinks or smaller events.

It has a high vaulted ceiling and is lined with bookshelves and carved panels of Austrian oak designed by S K Greenslade. This room will seat up to 60 guests for a civil ceremony.

Both the Great Hall and De Quetteville library are fully licensed for civil wedding ceremonies.

Additional venue spaces

Howard Davis Theatre (HDT)

The building houses the Howard Davis Theatre, a working performance space with banked seating which seats an audience of 130.

It is ideal for lectures or performances and has a backstage area and small balcony.

The Howard Davis Theatre was presented to Victoria College by Mr and Mrs T B Davis in 1935 in memory of their son.

College Field & Heathfield

The sports fields are available to hire when the College is not in session.

If any preparation of the facilities be required, the time of the groundsman will be charged as an additional cost.

Bistro Victoria

The Bistro is a flexible space that can seat up to 230 guests and is an ideal venue for informal events.

The facility is operated by Jersey Pottery who can provide catering for your event.

Teaching Spaces

Victoria College and Victoria College Preparatory have various classroom facilities including music practice rooms and IT suites that can be hired when the schools are not in session.

Additional information

Caterers

As this is a listed building, steeped in history, we have a number of preapproved partner catering companies who already know the site well and the requirements to cater here. They are able to provide food for you and they are familiar with the site:

- Simon Harper enquiries@harperscatering.co.uk
- Tony Sergeant info@jerseykitchen.co.uk
- Treacle susie@treaclejersey.com
- Will Gorman chef@willgorman.je

Please note that all catering suppliers will need to provide catering marquees outside, as we do not allow the cooking of food within the main building. We have a list of suppliers who can provide these and also additional furniture if you need it:

- Marquee Solutions yourevent@marqueesolutions.je
- Vibert Marquees Ltd info@vibertmarquees.com

You are welcome to use an alternative caterer, but we would need to meet them on site to explain our terms and conditions as this is a listed historic building and a working school. We will also require a copy of their public liability certificate and for them to sign our Terms and Conditions for Suppliers, which we can organise directly with them. All third party suppliers will have between 9am-11am the day after the event to clear the venue ready for our cleaners to come in.
