Bursaries and Scholarships

2026-2027

Our World of Opportunity

RESPECTFUL · RESILIENT · ASPIRATIONAL

Our diverse community

"Victoria College is an exciting place for students to learn and prides itself on being a diverse community where everyone is valued and supported to achieve their potential.

If your child is motivated to come to Victoria College, keen to work hard and contribute to the school then we will welcome them. That includes helping with the fees, if necessary, through our means-tested bursary schemes. We also recognise and reward excellence in a number of fields through our non-means-tested scholarship programme.

We have a strong record of producing young people who excel; our past pupils become business leaders, politicians, top sportsmen and innovators in all sectors and whatever path they choose in life, we can help them build successful futures.

We are known for our consistently excellent GCSE and A Level results but they are just part of the story. Past pupils tell us Victoria College offers something unique. The academic excellence, camaraderie and our traditions give students skills and a strong sense of belonging that lasts long after they have moved out into the world.

Your child will find a transformative curriculum in and out of the classroom that inspires excellence, curiosity and independent thinking. Beyond the classroom he will be able to explore and expand his talents in a variety of other areas through an extensive range of diverse co-curricular and enrichment opportunities that cater to the needs of all our students and foster participation. Our dynamic learning environment, which is underpinned by kindness, altruism and compassion, will help them build a successful, inspiring future.

Your next step is to come and visit the school so please get in touch."

Dr Gareth Hughes
Headteacher

"Victoria College aims to provide a world-class holistic education that inspires every individual to contribute positively to our schools and to society."

Student perspective

"For the past seven years I have been granted the incredible opportunity of attending Victoria College after being awarded a bursary via the Dome Charitable Trust – an opportunity which would otherwise be unavailable to me. This is a brilliant scheme that truly helps young men who may otherwise not be able to attend the school. Victoria College has encouraged me to pursue my interests and supported my decisions, something I greatly appreciate. I believe it has allowed me to fulfil my potential, academically as well as personally."

Sixth Form student

Exam results

We consistently achieve impressive academic progress scores for our public examinations. For example in 2026 our GCSE students placed within the top 25% of schools nationally and in 2025 our A Level and GCSE students placed within the top 10% of schools nationally.

GCSE results 2026

This year we are delighted to report that our Year 11 cohort attained a positive value-added score above national benchmarks and placed within the top 25% of UK schools for student progress. These results also delivered the highest level of top-grade attainment in Victoria College's recorded history, with Grades 9 and 8 reaching a record high and accounting for almost a third of all grades awarded. Around half of all GCSE grades achieved were at Grade 7 or above and 71% of all results were Grades 9 - 6, a record five-year high.

A Level results 2026

Victoria College's A Level results for 2026 were very impressive, with 12% of grades at A*, 30% at A*-A, 56% A*-B and 81% A*-C. 20% of students achieved a grade profile including at least 3 A*s or A and 10% of the cohort attained at least 2 A*s in their grade profile. Over 99% of qualifications were passed at A*-E. For those students applying to university, 97% secured places at their first or insurance choice destinations.

Dr Hughes said "I am delighted for this year's Upper Sixth students and enormously proud of all they have accomplished. Their time at Victoria College has been defined by determination, resilience and a willingness to embrace challenge. Their results are the product of sustained hard work over many years and are thoroughly deserved. These students have led by example, supported one another and played

a full part in the rich life of the school. They leave Victoria College as capable, confident and compassionate young people, ready to make their mark on the world."

In recent years we have regularly been in the top 25% of UK schools for student progress at A Level.

Bursaries

Victoria College is a Government of Jersey fee-paying school. For the 2026-2027 academic year, fees are £2,989 per term (£8,967 per year) and for Victoria College Preparatory School they are £2,948 per term (£8,844 per year). We aim to offer an education to all talented young people in Jersey so if financing might affect your son's ability to attend then please get in touch.

A number of means-tested bursaries are available to help your family pay the school fees if your household yearly income is under £82,000. Please note that the amount of support that can be offered will vary the closer your income is to this figure and we now ask all applicants to contribute something towards the fees. To discuss eligibility, please contact our Admissions Registrar at admissions@vcj.sch.je. All enquiries will be treated in the strictest of confidence.

Bursary	Victoria College Prep (7-11)	Victoria College (11-18)	Eligibility
Howard Leopold Davis Trust		●	Jersey-born student or parent. In school in Jersey for 2 years*
The Francis Charitable Trust		●	Awarded annually
The Dome Charitable Trust		●	Lower family income, highly motivated, able pupil (for five years)
VCJ and VCP Bursary Fund	●	●	Lower family income
The Foundation Bursary	●	●	Lower family income
Saltgate		●	For Sixth Formers for the 2 years of their A Level studies
Sayers Bequest	●	●	Lower family income

Bursary applications - your next steps

- For new students who would like to apply for a bursary, please contact admissions@vcj.sch.je for a bursary application form as soon as your child has been offered a place at VCJ. Once we have received a completed application form we will then advise successful applicants of a bursary offer in principle (subject to your tax assessment) in December 2026.
- For existing students who would like to apply for a bursary due to a change in circumstances, please email admissions@vcj.sch.je.
- Bursary applications for existing students should be received by the end of January 2027, along with a copy of each applicant's latest tax assessment.
- Current students will find out if their bursary application has been successful in May 2027.
- For an informal chat regarding potential eligibility, please contact our Admissions Registrar, Lucy Le Poidevin, on 01534 638225. All enquiries will be treated in the strictest of confidence.
- If you're interested in registering a place for your son, please go to our Admissions Portal on our website or contact our Admissions Registrar at admissions@vcj.sch.je.

Year 7 scholarships programme

Victoria College scholarships differ from bursaries in that the scholarships are to recognise and support excellence in music, academia or sport and are not means-tested. There is a standard stipend of £250 per year for each scholar which is to be spent directly on items or opportunities linked to supporting excellence in each scholar's chosen area. There are three scholarships on offer, and each will be held for two years:

1. Academic scholarship
2. Music scholarship
3. Sports scholarship

What scholarships are available?

Academic scholarship

Students achieving a mean score of over 120 in their Year 5 CATS results are eligible to apply. Candidates should demonstrate:

- Strong academic ability
- Commitment to learning
- Enthusiasm for the opportunities offered at Victoria College
- Applicants will attend an assessment afternoon, including a problem-solving paper and an interview with the Assistant Head: Curriculum and Learning

Award:

- £250 contribution towards books/school supplies
- Blazer badge
- Opportunity to write an article for *The Victorian* magazine
- Role as a College representative at the annual Open Day

Music scholarship

Applicants must demonstrate musical talent through at least one instrument or vocal ability, as well as a strong interest in participating in the full range of musical opportunities at Victoria College. Assessments will include:

- Two prepared pieces per instrument
- Aural tests and sight-reading
- Interview with the Director of Music

Award:

- £250 contribution towards music lessons or equipment
- Blazer badge
- Opportunity to write an article for *The Victorian* magazine
- Invitations to perform at Open Day and the Summer Concert
- Participation in the school choir and/or ensembles (depending on musical strengths)

Sports scholarship

Candidates must:

- Offer at least two sports at a good level of competence
- Submit a sporting CV for consideration
- Attend an afternoon of fitness tests and interviews
- Submit a reference from their current coach/trainer

Award:

- £250 contribution towards sports equipment
- Blazer badge
- Opportunity to write an article for *The Victorian* magazine
- Role as a sporting ambassador for Victoria College
- Supporting the Director of Sport in running the House Sports Programme

Scholarship applications – next steps

- Contact **Lucy Le Poidevin** at admissions@vcj.sch.je to register your interest.
- Scholarships are open to students who have been offered and accepted a place at Victoria College for Year 7 entry in 2027
- Application forms will be distributed in the second half of the spring term
- Deadline for applications: **Friday 7 May 2027**
- Scholarship assessment afternoon: second half of the summer term
- Awards will be confirmed before the end of the summer term

Note: Each scholarship is awarded for two years. Scholars must reapply thereafter.

How to join us

If you are not already a student here, we recommend that you come and visit Victoria College to see the facilities and talk to the staff and students. We can arrange a personal visit just for you or you can come along to our Open Evening in early October.
