

## Mrs Parmjeet Plummer, B.A. (Hons) PGCE

Parm joined Victoria College in September 2018 as a Teacher of History. She was appointed to Senior Teacher: Teaching and Learning in April 2019.

Her role involves developing effective teaching and learning across the school, as well as monitoring and evaluating our efficacy, through the use of student and staff voice, and developing study skills and SEN/HPL in relation to teaching and learning. She is part of the Senior Management team, attends Teaching and Learning governors meetings, as well as being a teacher of History, Politics and Classical Civilisation. She is also passionate about the development of oracy and to this end runs Socrates Club for Year 7-9 and the Athena Society, our formal debating club for Sixth Form. She is a Fellow of the Chartered College of Teaching and is network leader for @WomenEdJersey which is part of the wider WomenEd, a global organisation committed to increasing the representation of women in education leadership.

She holds a BA Hons in Contemporary History and a PGCE and has over 20 years of teaching experience in a range of settings and locations.

In her spare time, Parm enjoys yoga, singing and surfing and is a happy mother of two wonderful teenagers. She blogs occasionally and reads copiously on teaching and learning and all things school and leadership related.
