Plot marker homework

You will require a plot marker to name your vegetable plot at Farm School. Wooden spoons, wooden signs and painted pebbles with a coat of varnish or PVA glue to waterproof them would all work well. Your marker should have **your name** displayed clearly and you may decorate it however you wish. This will be required for your first Farm School session during the last week of this term
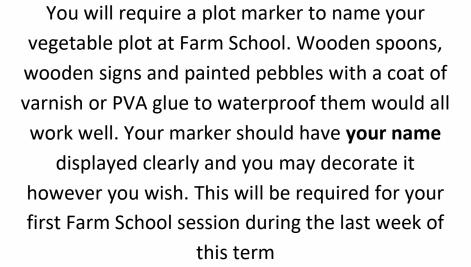

(Wednesday 27th March).

Here are some examples but remember, **your name** should be displayed.
